6. Procedures for Implementation

STEP 1: Local Resolution Process Between the Parties Directly Involved

1. When a dispute or complaint arises, the parties involved shall attempt to resolve the issue between themselves in the first instance. If a complaint or concern is raised in writing, the complainant must be contacted within two (2) working days, to explain how AngliSchools proposes to proceed.
2. Step 1 will involve:
 - the complainant being provided with or advised where they can obtain a copy of this document.
 - all parties having the opportunity to state their position in the matter, allowing each party the opportunity to fully understand the other parties' position.
 - all parties being willing to compromise in order to reach an agreed solution.
 - the complainant being given the opportunity to be represented.
 - advice being given to the complainant about the advocacy and support services available, if the complaint relates to child harm or abuse, and a mandatory report being lodged (if applicable).
3. For purposes of identifying patterns, a record of the complaint should be included in the Complaints register. It may not be possible to complete every field in the register particularly if the complaint is resolved at an early stage.

STEP 2: CEO Informal Resolution Process

NB: Where the dispute/complaint is of a serious nature that in the opinion of the CEO requires a formal resolution, the CEO shall proceed directly to the Formal Resolution Process (Step 3). The complainant will be advised if the CEO decides to omit Step 2 due to the serious nature of the complaint.

1. Where the parties directly involved cannot reach a resolution, the CEO should be approached to assist in the resolution of the matter.
2. The CEO (or nominee of the CEO) shall initially deal with the parties by:
 - providing all parties with the opportunity to state their position in the matter to allow the CEO to gain a thorough understanding of each party's position;and then deal with the specifics of the matter by:

 - asking what resolution would resolve the matter
 - agreeing on a resolution between the parties where possible

 - reporting to the parties when the resolution actions have been taken.
